WATERS RANCH

100% GRASS FED AND GRASS FINISHED ALL BEEF DINNER SAUSAGES

HEALTHY BEEF NEVER TASTED SO GOOD

At Teton Waters Ranch, we make 100% grass-fed, grass-finished beef that's free of hormones, antibiotics, nitrites, and nitrates. But that's only part of the story. We're Certified Humane, which means our cattle roam freely and graze on grass, just as nature intended.

Through that process, we've become a leading voice around regenerative agriculture, which is a farming practice that helps restore native grasslands, promotes healthy soil, and reverse the effects of climate change through carbon sequestration. We make better beef for you and your family, but we also help heal the planet for all of us in the process.
